**Subject:** WDNR Sites with Limited or no Documented Contamination

ATTACHMENT: No Documented Release List.doc

Hi Hak. Here is the next installment of WDNR sites that would potentially qualify for a CA 725 and/or CA 750. If you could check to see if you have PA/VSI's for those sites listed as "NA" that would be helpful. Also, let me know when you would be available to get together to go over the list and develop a strategy for the next 2 years. Thanks.
